From the D C Hassan W
Letter no H D G 26843/42-33 12 2 1943,
request sanction to grant mts in the 3rd row
wards in the Nalgode bore leptentum Sakalypm
town, as the granting the same in the first
two rows would ~~be~~ ^{spoil} the ^{beauty} ^{the} leptentum in the town.

(1) 32 lots measuring 40' x 60' were
wished to be granted, free of cost, ^{to} ^{the} poor
people, after 9.0.3 to 10.10.1942, in the newly
formed "Nalgode bore leptentum" in Sakalypm
town. The D C now reports that, if the above
lots are granted in the front rows, the beauty
of the leptentum would be affected, as it
would be desirable to disperse the front row
lots in such a manner as to keep up the beauty
of the town. In the circumstances, he recommends that
the 32 lots may be granted in the 3rd row
wards.

Sir,

Subject - Re grant of free sites in Neergodabore extension to poor people in Saklespur town instead of the present sites near Doddakere Tank

y' Adverting to Government Order No L 4170-2 M1 92-42-26 dated 20th October 1942 sanctioning the free grant of sites to 32 houseless poor people near Doddakere Park at Saklespur, I have the honor to forward herewith the correspondence ending with the Saklespur Town Municipal President's letter C 57/42 dated 28-1-1943 and to state that the Municipal Council have on the representation of the people who have been granted free sites in the Neergodebore extension resolved at their meeting held on 29-12-42 to allot them sites towards the western side in exchange for the sites near Doddakere Park as the sites previously sanctioned are in front of the new extension and spoil the beauty of the extension and as they are also situated in a lower level and nearer the tank

2 The President, Saklespur Town Municipal Council now proposes to grant sites measuring 40' x 60' from the third row onwards, the sites in the first two rows being reserved for disposal in public auction. The idea seems to be that it is desirable that decent bungalows should come ~~up~~ at the front row and smaller houses at the rear. I consider the change sensible and I recommend that the proposal of the President may kindly be sanctioned and orders communicated early -----
